Reason for Exception

This is a Town-initiated First Amendment to the Contract for Professional Services with Gregg Rossman, P.A. d/b/a Rossman Legal for Code Compliance. The Town's Code Compliance Division has substantially increased the volume of cases brought forth to the Special Magistrate. Due to staffing changes within the Town Attorney's Office, additional Florida Licensed Attorneys are needed to augment the Office and provide representation at Special Magistrate Hearings. Rossman Legal brings decades of legal experience and years of institutional knowledge in representing the Town of Davie Police Department. Currently, Rossman Legal provides legal guidance to the Town Code Compliance Division, but does not represent the Town at Special Magistrate Hearings. This First Amendment increases the monthly fee paid to Rossman Legal by approximately \$3,800 per month for the remainder of the fiscal year to represent the Town of Davie Code Compliance Division and provide Red Light and Speed Safety Camera legal guidance.

The Town Attorney has reviewed the attached documentation and finds it to be compliant with all rules, regulations, and laws regarding the Town of Davie, Broward County and the State of Florida and other legal requirements.
