(1) The operator of a motorized scooter or micromobility device has all of the rights and duties applicable to the rider of a bicycle under s. [316.2065](#), except the duties imposed by s. [316.2065](#)(2), (3)(b), and (3)(c), which by their nature do not apply. However, this section may not be construed to prevent a local government, through the exercise of its powers under s. (2) A motorized scooter or micromobility device is not required to satisfy the registration and insurance requirements of s. [320.02](#) or the licensing requirements of s. [316.605](#).

(3) A person is not required to have a driver license to operate a motorized scooter or micromobility device.

(4) A person who offers motorized scooters or micromobility devices for hire is responsible for securing all such devices located in any area of the state where an active tropical storm or hurricane warning has been issued by the National Weather Service.

(5) A person who engages in the business of, serves in the capacity of, or acts as a commercial seller of miniature motorcycles in this state must prominently display at his or her place of business a notice that such vehicles are not legal to operate on public roads, may not be registered as motor vehicles, and may not be operated on sidewalks unless authorized by an ordinance enacted pursuant to s. [316.008](#)(7)(a) or s. [316.212](#)(8). The required notice must also appear in all forms of advertising offering miniature motorcycles for sale. The notice and a copy of this section must also be provided to a consumer prior to the consumer's purchasing or becoming obligated to purchase a miniature motorcycle.

(6) Any person selling or offering a miniature motorcycle for sale in violation of this section commits an unfair and deceptive trade practice as defined in part II of chapter 501.

(7) A local government may adopt an ordinance providing one or more minimum age requirements to operate a motorized scooter or micromobility device and may adopt an ordinance requiring a person who operates a motorized scooter or micromobility device to possess a government-issued photographic identification while operating the motorized scooter or micromobility device.

(8) A local government may provide training on the safe operation of motorized scooters and micromobility devices and compliance with the traffic laws of this state that apply to motorized scooters and micromobility devices.
