## **2.3 LOCAL PREFERENCE**

### **(a) Definitions.**

**Local Davie Vendor.** A "local Davie vendor" shall mean a person or business entity which has maintained a permanent place of business with full-time employees within the Town limits for a minimum of six (6) months prior to the date of issuance of a bid or proposal solicitation. The permanent place of business may not be a post office box or a residence. The business location must actually distribute goods or services from that location. In addition, the business must have a current business tax receipt from the Town of Davie and have an address that the U.S. Postal Service recognizes as being a Davie address to be eligible.

**Local Broward County Vendor.** A "local Broward County vendor" shall mean a person or business entity which has maintained a permanent place of business with full-time employees within the Broward County limits for a minimum of six (6) months prior to the date of issuance of a bid or proposal solicitation. The permanent place of business may not be a post office box or a residence. The business location must actually distribute goods or services from that location. In addition, the business must have a current business tax receipt from the Broward County or the city within Broward County where the business resides and have an address that the U.S. Postal Service recognizes as being a Broward County address to be eligible.

**Bid.** A bid shall be any competitive solicitation by specification officially posted by the Town of Davie Procurement staff on the Town's website where the award is determined by the lowest responsible and responsive bidder

**Proposal.** A proposal shall be any competitive solicitation by request for proposal (RFP) officially posted by the Town of Davie Procurement staff on the Town's website where the award is determined by qualifications.

### **(b) Process.**

**Competitive bid.** For bid evaluation purposes, vendors that meet the definition of "local Davie vendor" as detailed above shall be given a five (5) percent evaluation credit. This shall mean that if a "local Davie vendor" submits a bid/quote that is within five (5) percent of the lowest price submitted by any vendor, the "local Davie vendor" shall have an option to submit another bid which is at least one (1) percent lower than the lowest responsive bid/quote. If the "local Davie vendor" submits a bid which is at least one (1) percent lower than that lowest responsive bid/quote, then the award will go to the "local Davie vendor." If not, the award will be made to the vendor that submits the lowest responsive bid/quote. If the lowest responsive and responsible bidder is a "local Davie vendor," the award will be made to that vendor and no other bidders will be given an opportunity to submit additional bids as described herein.

For bid evaluation purposes, vendors that meet the definition of "local Broward County vendor" as detailed above shall be given a two and one-half (2.5) percent evaluation credit. This shall mean that if a "local Broward County vendor" submits a bid/quote that is within two and one-half (2.5) percent of the lowest price submitted by any vendor, the "local Broward County vendor" shall have an option to submit another bid which is at least one (1) percent lower than the lowest responsive bid/quote. If the "local Broward County vendor" submits a bid which is at least one (1) percent lower than that lowest responsive bid/quote, then the award will go to the "local Broward County vendor." If not, the award will be made to the vendor that submits the lowest responsive bid/quote. If the lowest responsive and responsible bidder is a "local Davie vendor", the award will be made to that vendor and no other bidders will be given an opportunity to submit additional bids as described herein.

If there is a "local Davie vendor" and a "local Broward County vendor" participating in the same bid solicitation and both vendors qualify to submit a second bid as detailed above, the "local Davie vendor" will be given first option. If the "local Davie vendor" cannot beat the lowest bid received by at least one (1) percent, an opportunity will be given to the "local Broward County vendor." If the "local Broward County vendor" cannot beat the lowest bid by at least one (1) percent, then the bid will be awarded to the lowest bidder regardless of geographic location of the business.

If multiple "local Davie vendors" submit bids/quotes which are within five (5) percent of the lowest bid/quote, then all vendors will be asked to submit a "best and final offer (BAFO)." The award will be made to the "local Davie vendor" submitting the lowest BAFO providing that that BAFO is at least one (1) percent lower than the lowest bid/quote received in the original solicitation. If no "local Davie vendor" can beat the lowest bid/quote by at least one (1) percent, then the

process will be repeated with all "local Broward County vendors" who have submitted a bid/quote which is within two and one-half (2.5) percent of the lowest bid/quote. If no "local Davie vendor" and no "local Broward County vendor" can submit a BAFO that is at least one (1) percent lower than the lowest bid/quote submitted in the original solicitation, the award will be made to the lowest responsive bidder regardless of geographic location of the business.

**(c) Competitive proposal.**

For evaluation purposes, "local Davie vendor" and "local Broward County vendor" shall be a criterion for award in any request for proposal unless specifically exempted by the Town Administrator or the Town Council.

**(d) Exceptions.**

- (1) No "local vendor" preference will be included in any competitive solicitation where the Town is the lead agency for the Southeast Florida Cooperative Purchasing Group.
- (2) Utilization of a state or other agency contract.
- (3) State or Federal law prohibits the use of local preference.
- (4) The work is funded in whole or in part by a governmental entity where the laws, rules, regulations or policies prohibit the use of local preferences.
- (5) Sole source or single source purchases.
- (6) The "local vendor" is either non-responsive or non-responsible.
- (7) All bids submitted exceed the budget amount for the project.
- (8) Emergency purchases.
- (9) The Town Administrator and/or the Town Council may exempt any competitive solicitation from the local vendor preference.

**2.4 BIDDERS RESPONSIBILITIES**

Bidders are required to submit their proposals upon the following express conditions:

- A. Bidders shall thoroughly examine the drawings, specifications, schedules, instructions and all other contract documents.
- B. Bidders shall make all investigations necessary to thoroughly inform themselves regarding the site and facilities for delivery of material and equipment as required by the bid conditions. No plea of ignorance, by the bidder, of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the bidder to make the necessary examinations and investigations, or failure to fulfill in every detail the requirements of the contract documents, will be accepted as a basis for varying the requirements of the Town or the compensation due to the bidder.
- C. Bidders are advised that all Town contracts are subject to all legal requirements provided for in the Town of Davie Procurement Code and applicable County Ordinances, State Statutes and Federal Statutes.

The Town of Davie is exempt from payment to its vendors of State of Florida sales tax and, therefore, such taxes should not be figured into the bid. However, this exemption does not transmit to suppliers to the Town in their (supplier) purchases

of goods or services, used in work or goods supplied to the Town. Contractors are responsible for any taxes, sales or otherwise, levied on their purchases, subcontracts, employment, or otherwise as required.

## 2.6 DESCRIPTION OF SUPPLIES

- A. Any manufacturer's names, trade names, brand names, or catalog numbers used in these applications are for the purpose of describing and establishing minimum requirements or level of quality, standards of performance, and design required, and are in no way intended to prohibit the bidding of other manufacturers' items of equal material, unless specifications state "NO SUBSTITUTIONS."
- B. Bidders must indicate any variances to the specifications, terms, and conditions, no matter how slight. If variations are not stated in the Bid, it shall be construed that the bid fully complies with the Specifications, Terms and Conditions.
- C. Bidders are required to state exactly what they intend to furnish; otherwise they shall be required to furnish the items as specified.
- D. Bidders will submit, with their Bid, necessary data (factory information sheets, specifications, brochures, etc.) to evaluate and determine the quality of the item(s) they are bidding.

## 2.8 ADDENDA

The Procurement Division may issue an addendum in response to any inquiry received, prior to Bid opening, which changes, adds to or clarifies the terms, provisions or requirements of the solicitation. The Bidder may not rely on any representation, statement or explanation, whether written or verbal, other than those made in this Bid solicitation document or in any addenda issued. Where there appears to be a conflict between this Bid solicitation and any addenda, the last addendum issued shall prevail. It is the Bidder's responsibility to ensure receipt of all addenda and any accompanying documents. Bidder(s) shall acknowledge receipt of any formal Addenda with their bid submission through the Town's e-Procurement Portal. Failure to acknowledge any Addenda in its Bid shall deem its Bid non-responsive provided, however, that the Town may waive this requirement in its best interest.

The Town reserves the right to reject any or all Bids prior to award. Reasonable efforts will be made to either award the contract or reject all Bids within one hundred and twenty (120) calendar days after the proposal opening date.

If any person contemplating submitting a bid for this contract is in doubt as to the true meaning of the specifications or other bid documents or any part thereof, he/she may submit an inquiry in the Q&A Section of the solicitation. Any interpretation of the bid, if made, will be made only by Addendum duly issued. The Town will not be responsible for any other explanation or interpretation of the proposed bid made or given prior to the award of the contract. **2.14 INVOICING/PAYMENT**

In accordance with Florida State Statutes, Chapter 218, payment will be made within 45 days after receipt of services and a proper invoice. The terms "equipment and organization" as used herein shall be construed to mean a fully equipped and well established company in line with the best business practices in the industry and as determined by the proper authorities of the Town.
- B. The Town may consider any evidence available to it of the financial, technical and other qualifications and abilities of a Bidder, including past performance (experience) in making the award in the best interest of the Town. In all cases the Town of Davie shall have no liability to any contractor for any costs or expense incurred in connection with this bid or otherwise.

The Town shall be entitled to a satisfactory performance of all Orders and/or Services described herein and to full and prompt cooperation by the Contractor in all aspects of the Product and/or Services. At the request of the Town, the Contractor shall promptly remove any Contractor's employee, subcontractor, or any other person performing Services hereunder. - B. The Contractor agrees to defend, hold harmless and indemnify the Town and shall be liable and responsible for any and all claims, suits, actions, damages and costs (including attorney's fees and court costs) made against the Town, occurring on account of, arising from or in connection with the removal and replacement of any Contractor's personnel performing services hereunder at the behest of the Town. Removal and replacement of any Contractor's personnel as used in this Contract shall not require the termination and or demotion of such Contractor's personnel.
- C. The Contractor agrees that at all times it will employ, maintain and assign to the performance of the Services a sufficient number of competent and qualified professionals and other personnel to meet the requirements to which reference is hereinafter made. The Contractor agrees to adjust its personnel staffing levels or to replace any of its personnel upon reasonable request from the Town, should the Town make a determination, in its sole discretion, that said personnel staffing is inappropriate or that any individual is not performing in a manner consistent with the requirements for such a position.

- F. The Contractor shall comply with all provisions of all federal, state and local laws, statutes, ordinances, and regulations that are applicable to the performance of the Agreement.

**2.64 INDEPENDENT CONTRACTOR RELATIONSHIP**

The Contractor is, and shall be, in the performance of all work services and activities under the Agreement, an independent contractor, and not an employee, agent or servant of the Town. All persons engaged in any of the work or services performed pursuant to the Agreement shall at all times, and in all places, be subject to the Contractor's sole direction, supervision and control. The Contractor shall exercise control over the means and manner in which it and its employees perform the work, and in all respects the Contractor's relationship and the relationship of its employees to the Town shall be that of an independent contractor and not as employees and agents of the Town.

The Contractor does not have the power or authority to bind the Town in any promise, agreement or representation other than specifically provided for in the Agreement.

**2.65 AUTHORITY OF THE TOWN'S PROJECT MANAGER**

Where orders are given orally, they will be issued in writing by the Project Manager as soon thereafter as is practicable.
- C. The Contractor must, in the final instance, seek to resolve every difference concerning the Agreement with the Project Manager. In the event that the Contractor and the Project Manager are unable to resolve their difference, the Contractor may initiate a dispute in accordance with the procedures set forth in the section below. Exhaustion of these procedures shall be a condition precedent to any lawsuit permitted hereunder.
- D. In the event of such dispute, the parties to the Agreement authorize the Town Administrator or designee, who may not be the Project Manager or anyone associated with this Project, acting personally, to decide all questions arising out of, under, or in connection with, or in any way related to or on account of the Agreement (including but not limited to claims in the nature of breach of contract, fraud or misrepresentation arising either before or subsequent to execution hereof) and the decision of each with respect to matters within the Town Administrator's purview as set forth above shall be conclusive, final and binding on parties. Any such dispute shall be brought, if at all, before the Town Administrator within 10 days of the occurrence, event or act out of which the dispute arises. The Town Administrator may base this decision on such assistance as may be desirable, including advice of experts, but in any event shall base the decision on an independent and objective determination of whether Contractor's performance or any Deliverable meets the requirements of the Agreement and any specifications with respect thereto set forth herein. The effect of any decision shall not be impaired or waived by any negotiations or settlements or offers made in connection with the dispute, whether or not the Town Administrator participated therein, or by any prior decision of others, which prior decision shall be deemed subject to review, or by any termination or cancellation of the Agreement. All such disputes shall be submitted in writing by the Contractor to the Town Administrator or designee for a decision, together with all evidence and other pertinent information in regard to such questions, in order that a fair and impartial decision may be made. The parties agree that whenever the Town Administrator is entitled to exercise discretion or judgment or to make a determination or form an opinion pursuant to the provisions of this Contract, such action shall be deemed fair and impartial when exercised or taken. The Town Administrator shall render a decision in writing and deliver a copy of the same to

the Contractor. Except as such remedies may be limited or waived elsewhere in the Agreement, Contractor and the Town reserve the right to pursue any remedies available under law after exhausting the provisions of this Contract.

## **2.66 MUTUAL OBLIGATIONS**

The Agreement, including attachments and appendices to the Agreement, shall constitute the entire Agreement between the parties with respect hereto and supersedes all previous communications and representations or agreements, whether written or oral, with respect to the subject matter hereto unless acknowledged in writing by the duly authorized representatives of both parties.
- B. Nothing in the Agreement shall be construed for the benefit, intended or otherwise, of any third party.
- C. In those situations where the Agreement imposes an indemnity or defense obligation on the Contractor, the Town may, at its expense, elect to participate in the defense if the Town should so choose. Furthermore, the Town may at its own expense defend or settle any such claims if the Contractor fails to diligently defend such claims, and thereafter Contractor agrees to pay the Town's costs, attorney's fees and/or any resulting judgment or settlement from the Contractor.

## **2.67 QUALITY ASSURANCE/QUALITY ASSURANCE RECORD KEEPING**

The Contractor shall maintain, and shall require that its subcontractors and suppliers maintain, complete and accurate records to substantiate compliance with the requirements set forth in the Scope of Services. ## **2.70 SUBCONTRACTUAL RELATIONS**

- A. If the Contractor will cause any part of the Agreement to be performed by a subcontractor, the provisions of this Contract will apply to such subcontractor and its officers, agents and employees in all respects as if it and they were employees of the Contractor; and the Contractor will not be in any manner thereby discharged from its obligations and liabilities hereunder, but will be liable hereunder for all acts and negligence of the subcontractor, its officers, agents, and employees, as if they were employees of the Contractor. The services performed by the subcontractor will be subject to the provisions hereof as if performed directly by the Contractor.
- B. The Contractor, before making any subcontract for any portion of the services, will state in writing to the Town the name of the proposed subcontractor, the portion of the Services which the subcontractor is to do, the place of business of such subcontractor, and such other information as the Town may require. In order to qualify as a subcontractor satisfactory to the Town, in addition to the other requirements herein provided, the subcontractor must be prepared to prove to the satisfaction of the Town that it has the necessary facilities, skill and experience, and ample financial resources to perform the Services in a satisfactory manner. To be considered skilled and experienced, the subcontractor must show to the satisfaction of the Town that it has satisfactorily performed services of the same general type which is required to be performed under the Agreement.
- E. The Town shall have the right to withdraw its consent to a subcontract if it appears to the Town that the subcontract will delay, prevent, or otherwise impair the performance of the Contractor's obligations under the Agreement. All subcontractors are required to protect the confidentiality of the Town and Town's proprietary and confidential information. Contractor shall furnish to the Town copies of all subcontracts between Contractor and subcontractors and suppliers hereunder. Within each such subcontract, there shall be a clause for the benefit of the Town permitting the Town to request completion of performance by the subcontractor of its obligations under the subcontract, in the event the Town finds the Contractor in breach of its obligations, and the option to pay the subcontractor directly for the performance by such subcontractor. Notwithstanding, the foregoing shall neither convey nor imply any obligation or liability on the part of the Town to any subcontractor hereunder as more fully described herein.

#### **2.71 ASSUMPTION, PARAMETERS, PROJECTIONS, ESTIMATES AND EXPLANATIONS**

The Contractor understands and agrees that any assumptions, parameters, projections, estimates and explanations presented by the Town were provided to the Contractor for evaluation purposes only. However, since these assumptions, parameters, projections, estimates and explanations represent predictions of future events, the Town makes no representations or guarantees, the Town shall not be responsible for the accuracy of the assumptions presented, the Town shall not be responsible for conclusions to be drawn there from, and any assumptions, parameters, projections, estimates and explanations shall not form the basis of any claim by the Contractor. The Contractor accepts all risks associated with using this information.

#### **2.72 SEVERABILITY**

If the Agreement contains any provision found to be unlawful, the same shall be deemed to be of no effect and shall be deemed stricken from the Agreement without affecting the binding force of the Agreement as it shall remain after omitting such provision.

#### **2.73 TERMINATION FOR CONVENIENCE AND SUSPENSION OF WORK**

- A. The Town and/or the CRA, may terminate the Agreement and pursue all remedies available at law if an individual or corporation or other entity attempts to meet its contractual obligation with the Town and/or the CRA through fraud, misrepresentation or material misstatement.

- C. Contractor acknowledges and agrees that ten dollars (\$10.00) of the compensation to be paid by the Town and/or the CRA, the receipt and adequacy of which is hereby acknowledged by Contractor, is given specific consideration to Contractor for the Town's and the CRA's right to terminate this Agreement for convenience.
- D. The Town, through its Town Administrator, and/or the CRA through its Executive Director, and for its convenience and without cause, may terminate the Contract at any time during the term by giving written notice to consultant/contractor of such termination; which shall become effective within fifteen (15) days following receipt by the Contractor of such notice. If the Contract is terminated for convenience by the Town and/or the CRA, the Contractor shall be paid for any services satisfactorily performed up to the date of termination; following which the Town and/or the CRA shall be discharged from any and all liabilities, duties, and terms arising out, or by virtue of, this Contract.
- E. The foregoing notwithstanding, any individual, corporation or other entity which attempts to meet its contractual obligations with the Town and/or the CRA through fraud, misrepresentation or material misstatement may be debarred from Town and CRA contracting in accordance with the Town debarment procedures. The Contractor may be subject to debarment for failure to perform and all other reasons set forth in Town's Procurement Policies and Procedures Manual. In addition to cancellation or termination as otherwise provided in the Agreement, the Town and/or the CRA may at any time, in its sole discretion, with or without cause, terminate the Agreement by written notice to the Contractor and in such event:
- F. The Contractor shall, upon receipt of such notice, unless otherwise directed by the Town and/or the CRA:

  - 3. Cancel orders;
  - 4. Assign to the Town and/or the CRA and deliver to any location designated by the Town and/or the CRA any non-cancelable orders for Deliverables that are not capable of use except in the performance of the Agreement and which have been specifically developed for the sole purpose of the Agreement and not incorporated in the Services;
  - 5. Take no action which will increase the amounts payable by the Town under the Agreement.
- G. In the event that the Town and/or the CRA exercises its right to terminate the Contract the Contractor will be compensated as stated in the Contract, herein, for the:

  5. The Contractor has failed to obtain the approval of the Town where required by the Agreement;
  6. The Contractor has failed to provide "adequate assurances" as required under subsection "B" below; and
  7. The Contractor has failed in the representation of any warranties stated herein.
- B. When, in the opinion of the Town or the CRA, reasonable grounds for uncertainty exist with respect to the Contractor's ability to perform the Services or any portion thereof, the Town or the CRA may request that the Contractor, within the time frame set forth in the Town's or the CRA's request, provide adequate assurances to the Town or the CRA, in writing, of the Contractor's ability to perform in accordance with terms of the Agreement. Until the Town or the CRA receives such assurances the Town or the CRA may request an adjustment to the compensation received by the Contractor for portions of the Services which the Contractor has not performed. In the event that the Contractor fails to provide to the Town or the CRA the requested assurances within the prescribed time frame, the Town may:
1. Treat such failure as a repudiation of the Agreement;
  2. Resort to any remedy for breach provided herein or at law, including but not limited to, taking over the performance of the Services or any part thereof either by itself or through others.

## **2.76 PATENT AND COPYRIGHT INDEMNIFICATION**

- A. The Contractor warrants that all Deliverables furnished hereunder, including but not limited to: services, equipment programs, documentation, software, analyses, applications, methods, ways, processes, and the like, do not infringe upon or violate any patent, copyrights, service marks, trade secret, or any other third party proprietary rights.
- B. The Contractor shall be liable and responsible for any and all claims made against the Town or the CRA for infringement of patents, copyrights, service marks, trade secrets or any other third party proprietary rights, by the use or supplying of any programs, documentation, software, analyses, applications, methods, ways, processes,

and the like, in the course of performance or completion of, or in any way connected with, the Work, or the Town's or the CRA's continued use of the Deliverables furnished hereunder. The Contractor shall be solely responsible for determining and informing the Town and/or the CRA whether a prospective supplier or subcontractor is a party to any litigation involving patent or copyright infringement, service mark, trademark, violation, or proprietary rights claims or is subject to any injunction which may prohibit it from providing any Deliverable hereunder. The Contractor shall enter into agreements with all suppliers and subcontractors at the Contractor's own risk. The Town or the CRA may reject any Deliverable that it believes to be the subject of any such litigation or injunction, or if, in the Town's judgment, use thereof would delay the Work or be unlawful.
- E. The Contractor shall not infringe any copyright, trademark, service mark, trade secrets, patent rights, or other intellectual property rights in the performance of the Work.

## **2.77 PROPRIETARY INFORMATION**

As a political subdivision of the State of Florida, the Town of Davie is subject to the provisions of Florida's Public Records Law.

The Contractor acknowledges that all computer software in the Town's possession or the CRA's possession may constitute or contain information or materials which the Town or the CRA has agreed to protect as proprietary information from disclosure or unauthorized use and may also constitute or contain information or materials which the Town or the CRA has developed at its own expense, the disclosure of which could harm the Town's proprietary interest therein.

During the term of the contract, the Contractor will not use directly or indirectly for itself or for others, or publish or disclose to any third party, or remove from the Town's property, or the CRA's property, any computer programs, data compilations, or other software which the Town has developed, has used or is using, is holding for use, or which are otherwise in the possession of the Town (hereinafter "Computer Software"). The Contractor acknowledges and agrees that all third-party license agreements must also be honored by the contractors and their employees, except as authorized by the Town or the CRA and, if the Computer Software has been leased or purchased by the Town or the CRA, all third party license agreements must also be honored by the contractors' employees with the approval of the lessor or Contractors thereof. This includes mainframe, minis, telecommunications, personal computers and any and all information technology software.

The Contractor will report to the Town any information discovered or which is disclosed to the Contractor which may relate to the improper use, publication, disclosure or removal from the Town's property of any information technology software and hardware and will take such steps as are within the Contractor's authority to prevent improper use, disclosure or removal.

## **2.78 PROPRIETARY RIGHTS**

- A. The Contractor hereby acknowledges and agrees that the Town and the CRA retains all rights, title and interests in and to all materials, data, documentation and copies thereof furnished by the Town and the CRA to the Contractor hereunder or furnished by the Contractor to the Town and/or created by the Contractor for delivery to the Town, even if unfinished or in process, as a result of the Services the Contractor performs in connection with

the Agreement, including all copyright and other proprietary rights therein, which the Contractor as well as its employees, agents, subcontractors and suppliers may use only in connection with the performance of Services under the Agreement. The Contractor shall not, without the prior written consent of the Town, use such documentation on any other project in which the Contractor or its employees, agents, subcontractors or suppliers are or may become engaged. Submission or distribution by the Contractor to meet official regulatory requirements or for other purposes in connection with the performance of Services under the Agreement shall not be construed as publication in derogation of the Town's copyrights or other proprietary rights.

- B. All rights, title and interest in and to certain inventions, ideas, designs and methods, specifications and other documentation related thereto developed by the Contractor and its subcontractors specifically for the Town, hereinafter referred to as "Developed Works" are works for hire and are the property of the Town.

Except as otherwise provided in subsections a, b, and c above, or elsewhere herein, the Contractor and its subcontractors and suppliers hereunder shall retain all proprietary rights in and to all licensed software provided hereunder, that have not been customized to satisfy the performance criteria set forth in the Scope of Services. Notwithstanding the foregoing, the Contractor hereby grants, and shall require that its subcontractors and suppliers grant, if the Town or the CRA so desire, a perpetual, irrevocable and unrestricted right and license to use, duplicate, disclose and/or permit any other person(s) or entity(ies) to use all such licensed software and the associated specifications, technical data and other documentation for the operations of the Town, the CRA or entities controlling, controlled by, under common control with, or affiliated with the Town, or the CRA, or organizations which may hereafter be formed by or become affiliated with the Town or the CRA. Such license specifically includes, but is not limited to, the right of the Town or the CRA to use and/or disclose, in whole or in part, the technical documentation and licensed software, including any source code provided hereunder, to any person or entity outside the Town for such person's or entity's use in furnishing any and/or all of the Deliverables provided hereunder exclusively for the Town, the CRA, or entities controlling, controlled by, under common control with, or affiliated with the Town, the CRA, or organizations which may hereafter be formed by or become affiliated with the Town or the CRA. No such licensed software, specifications, data, documentation or related information shall be deemed to have been given in confidence and any statement or legend to the contrary shall be void and of no effect.

## **2.79 ETHICS**

In accordance with Section 2-330 of the Town's Code requires that the town shall not purchase any goods or services from any person who is actively employed by the Town of Davie or from any business or entity of which the employee or the employee's spouse or child is an agent, officer, partner, director or proprietor or in which they have a material interest or discretionary authority. Any such individual or business shall be disqualified from participating in any bidding activity for purchases by the town unless specifically authorized by action of the town council. Furthermore all bidders are subject to follow the SECTION 1-19 OF THE BROWARD COUNTY CODE.

## **2.80 LOCAL, STATE, AND FEDERAL COMPLIANCE REQUIREMENTS**

**2.81 NONDISCRIMINATION**

During the performance of this Contract, Contractor agrees to not discriminate against any employee or applicant for employment because of race, religion, color, sex, handicap, marital status, age or national origin, and will take affirmative action to ensure that they are afforded equal employment opportunities without discrimination. Such action shall be taken with reference to, but not be limited to, recruitment, employment, termination, rates of pay or other forms of compensation, and selection for training or retraining, including apprenticeship and on-the-job training. By entering into this Contract with the Town, the Contractor attests that it is not in violation of the Americans with Disabilities Act of 1990 (and related Acts). If the Contractor or any owner, subsidiary or other firm affiliated with or related to the Contractor is found by the responsible enforcement agency or the Town to be in violation of the Act, such violation shall render this Contract void. This Contract shall be void if the Contractor submits a false affidavit or the Contractor violates the Act during the term of this Contract, even if the Contractor was not in violation at the time it submitted its affidavit.

**2.82 CONFLICT OF INTEREST**

The Contractor represents that:

- A. No officer, director, employee, agent, or other consultant of the Town or a member of the immediate family or household of the aforesaid has directly or indirectly received or been promised any form of benefit, payment or compensation, whether tangible or intangible, in connection with the grant of the Agreement.
- B. There are no undisclosed persons or entities interested with the Contractor in the Agreement. The Agreement is entered into by the Contractor without any connection with any other entity or person making a proposal for the same purpose, and without collusion, fraud or conflict of interest. No elected or appointed officer or official, director, employee, agent or other consultant of the Town, or of the State of Florida (including elected and appointed members of the legislative and executive branches of government), or member of the immediate family or household of any of the aforesaid:
  - 1. Is interested on behalf of or through the Contractor directly or indirectly in any manner whatsoever in the execution or the performance of the Agreement, or in the services, supplies or work, to which the Agreement relates or in any portion of the revenues; or
  - 2. Is an employee, agent, advisor, or consultant to the Contractor or to the best of the Contractor's knowledge, any subcontractor or supplier to the Contractor.
- C. Neither the Contractor nor any officer, director, employee, agent, parent, subsidiary, or affiliate of the Contractor shall have an interest which is in conflict with the Contractor's faithful performance of its obligations under the Agreement; provided that the Town, in its sole discretion, may consent in writing to such a relationship, and provided the Contractor provides the Town with a written notice, in advance, which identifies all the individuals and entities involved and sets forth in detail the nature of the relationship and why it is in the Town's best interest to consent to such relationship.
- D. The provisions of this Contract are supplemental to, not in lieu of, all applicable laws with respect to conflict of interest. In the event there is a difference between the standards applicable under the Agreement and those provided by statute, the stricter standard shall apply.
- E. In the event Contractor has no prior knowledge of a conflict of interest as set forth above and acquires information which may indicate that there may be an actual or apparent violation of any of the above, Contractor shall promptly bring such information to the attention of the Town's Procurement Manager. Contractor shall thereafter

cooperate with the Town's review and investigation of such information, and comply with the instructions Contractor receives from the Procurement Manager in regard to remedying the situation.

**2.83 PRESS RELEASE OR OTHER PUBLIC COMMUNICATION**

Under no circumstances shall the Contractor, its employees, agents, subcontractors and suppliers, without the express written consent of the Town:

- A. Issue or permit to be issued any press release, advertisement or literature of any kind which refers to the Town, or the Work being performed hereunder, unless the Contractor first obtains the written approval of the Town. Such approval may be withheld if for any reason the Town believes that the publication of such information would be harmful to the public interest or is in any way undesirable; and
- B. Represent, directly or indirectly, that any product or service provided by the Contractor or such parties has been approved or endorsed by the Town, except as may be required by law.

**2.84 BANKRUPTCY**

The Town reserves the right to terminate this contract if, during the term of any contract the Contractor has with the Town, the Contractor becomes involved as a debtor in a bankruptcy proceeding, or becomes involved in a reorganization, dissolution, or liquidation proceeding, or if a trustee or receiver is appointed over all or a substantial portion of the property of the Contractor under federal bankruptcy law or any state insolvency law.

**2.85 GOVERNING LAW**

This Contract, including appendices, and all matters relating to this Contract (whether in contract, statute, tort (such as negligence), or otherwise) shall be governed by, and construed in accordance with, the laws of the State of Florida.

**2.86 SURVIVAL**

The parties acknowledge that any of the obligations in the Agreement will survive the term, termination and cancellation hereof. Accordingly, the respective obligations of the Contractor and the Town under the Agreement, which by nature would continue beyond the termination, cancellation or expiration thereof, shall survive termination, cancellation or expiration hereof.

**2.87 CANCELLATION FOR UNAPPROPRIATED FUNDS**

The obligation of the Town for payment to a Contractor is limited to the availability of funds appropriated in a current fiscal period, and continuation of the contract into a subsequent fiscal period is subject to appropriation of funds, unless otherwise authorized by law.

**2.88 ASBESTOS STATEMENT**

All material supplied must be 100% asbestos free. Bidder, by virtue of bidding, certifies that if awarded any portion of the project he will supply only material or equipment that is 100% asbestos free.

**2.89 VERBAL INSTRUCTIONS PROCEDURE**

No negotiations, decisions, or actions shall be initiated or executed by the Contractor as a result of any discussions with any Town employee. Only those communications which are in writing from an authorized Town representative may be considered. Only written communications from Contractors, which are assigned by a person designated as authorized to bind the Contractor, will be recognized by the Town as duly authorized expressions on behalf of Contractors.

**2.90 COST ADJUSTMENTS**

The cost for all items as quoted herein shall remain firm for the initial term of the contract. Costs for subsequent years and any extension term years shall be subject to an adjustment only if increases occur in the industry. However, unless very unusual and significant changes have occurred in the industry, such increases shall not exceed 3% per year or, whichever is less, the latest yearly percentage increase in the All Urban Consumers Price Index (CPI-U) (National) as published by the Bureau of Labor Statistics, U.S. Dept. of Labor: [https://www.bls.gov/regions/mid-atlantic/data/consumerpriceindexhistorical\\_us\\_table.htm](https://www.bls.gov/regions/mid-atlantic/data/consumerpriceindexhistorical_us_table.htm). The yearly increase or decrease in the CPI shall be that latest

index published and available ninety (90) days prior to the end of the contract year then in effect compared to the index for the same month one year prior. Any requested cost increase shall be fully documented and submitted to the Town at least ninety (90) days prior to the contract anniversary date. Any approved cost adjustments shall become effective upon the anniversary date of the contract. In the event the CPI or industry costs decline, the Town shall have the right to receive from the Contractor reduction in costs that reflect such cost changes in the industry. The Town may, after examination, refuse to accept the adjusted costs if they are not properly documented or submitted according to the timeline above, increases are considered to be excessive, or decreases are considered to be insufficient. In the event the Town does not wish to accept the adjusted costs and the matter cannot be resolved to the satisfaction of the Town, the contract can be cancelled without penalty by the Town upon giving thirty (30) days written notice to the Contractor.

## **2.91 EQUITABLE ADJUSTMENT**

The Town of Davie may, in its sole discretion, make an equitable adjustment in the Contract Terms and conditions and/or pricing. If pricing or availability of supply is affected by extreme or unforeseen volatility in the marketplace that satisfy all the following criteria: 1) the volatility is due to causes wholly beyond the successful bidder's control; 2) the volatility affects the marketplace or industry, not just the particular successful bidder's source of supply; 3) the effect on pricing or availability of supply is substantial; and 4) the volatility so affects the successful bidder that continued performance of the Contract would result in substantial loss. Any adjustment would require irrefutable evidence provided by the Contractor and signed approval by the Procurement Manager, Town Administrator, or Mayor and Council depending on the contract threshold and original signature authority established by Town of Davie Code Section 2-319. The Town may elect to provide a one-time increase, an increase for a predetermined period or an increase for the remainder of the contract. In the event of any market decreases the bidder shall in good faith provide the Town with reduced pricing.

## **2.92 PROHIBITION OF INTEREST**

No contract will be awarded to a bidding firm who has Town elected officials, officers or employees affiliated with it, unless the bidding firm has fully complied with current Florida State Statutes and Town Ordinances relating to this issue. Bidders must disclose any such affiliation. Failure to disclose any such affiliation will result in disqualification of the Bidder or termination of the agreement, removal of the Bidder from the Town's bidder lists, and prohibition from engaging in any business with the Town.

## **2.93 NO CONTINGENT FEES**

Bidder warrants that it has not employed or retained any company or person other than a bona fide employee working solely for the Bidder to solicit or secure the Agreement, and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the Bidder any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of the Agreement. For the breach or infraction of this provision, the Town shall have the right to terminate the Agreement without liability at its discretion, to deduct from the contract price, or otherwise recover the full amount of such fee, commission, percentage, gift or consideration.

## **2.94 E-VERIFY**

Bidder/Consultant/Contractor acknowledges and agrees to utilize the U.S. Department of Homeland Security's E-Verify System to verify the employment eligibility of:

- A. All persons employed by Bidder/Consultant/Contractor to perform employment duties within Florida during the term of the contract; and
- B. All persons (including sub-bidders/subconsultants/subcontractors) assigned by Bidder/Consultant/Contractor to perform work pursuant to the contract. The Bidder/Consultant/Contractor acknowledges and agrees that use of the U.S. Department of Homeland Security's E-Verify System during the term of the contract is a condition of the contract with the Town of Davie.

By entering into this Contract, the Contractor shall comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility," as amended from time to time. This includes but is not limited to utilization of the E-Verify System to verify the work authorization status of all newly hired employees, and requiring all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. The contractor shall

maintain a copy of such affidavit for the duration of the contract. Failure to comply will lead to termination of this Contract, or if a subcontractor knowingly violates the statute, the subcontract must be terminated immediately. Any challenge to termination under this provision must be filed in the Circuit Court no later than 20 calendar days after the date of termination. If this contract is terminated for a violation of the statute by the Contractor, the Contractor may not be awarded a public contract for a period of 1 year after the date of termination. The Contractor shall be liable for any additional costs incurred by the Town as a result of the termination of this contract.

**2.95 FORCE MAJEURE**

The Agreement that is awarded to the successful proposer may provide that the performance of any act by the Town, the CRA, or Contractor hereunder may be delayed or suspended at any time while, but only so long as, either party is hindered in or prevented from performance by acts of God, the elements, war, rebellion, strikes, lockouts or any cause beyond the reasonable control of such party, provided however, the Town shall have the right to provide substitute service from third parties or Town forces and in such event the Town shall withhold payment due Contractor for such period of time. If the condition of force majeure exceeds a period of 14 days the Town may, at its option and discretion, cancel or renegotiate the Agreement.

**2.96 BUDGETARY CONSTRAINTS**

In the event the Town is required to reduce contract costs due to budgetary constraints, all services specified in this document may be subject to a permanent or temporary reduction in budget. In such an event, the total cost for the affected service shall be reduced as required. The Contractor shall also be provided with a minimum 30-day notice prior to any such reduction in budget.

**2.97 ANNEXATION**

Contractor agrees to extend all terms, conditions and pricing in the Agreement and any amendments thereto, to any areas annexed into the Town.

**2.98 LITIGATION VENUE**

The parties agree that all litigation between them in the state courts shall exclusively take place in Broward County, Florida and that all litigation between them in the federal courts shall take place in the Southern District of Florida.

**2.99 LITIGATION**

The Town of Davie reserves the right to reject bids from bidders that are currently in litigation or that have previously been in litigation with the Town of Davie.

**2.100 SOVEREIGN IMMUNITY**

Nothing in the Agreement shall be interpreted or construed to mean that the Town or the CRA waives its common law sovereign immunity or the limits on liability set forth in Section 768.28, Florida Statute. Notwithstanding anything set forth in the Contract to the contrary, nothing in this Contract shall be deemed as a waiver of immunity or limits of liability of the Town beyond any statutory limited waiver of immunity or limits of liability which may have been or may be adopted by the Florida Legislature and the cap on the amount and liability of the Town for damages, regardless of the number or nature of claims in tort, equity, or Contract, shall not exceed the dollar amount set by the legislature for tort. Nothing in this Contract shall inure to the benefit of any third party for the purpose of allowing any claim against the Town, which claim would otherwise be barred under the doctrine of sovereign immunity or by operation of law.

**2.101 SOLID WASTE CONSTRUCTION AND DEMOLITION DEBRIS COLLECTION AND DISPOSAL REQUIREMENTS FOR BIDDING JOBS IN THE TOWN OF DAVIE**

### ADDENDUM NO. 3

#### ITB# RS-26-16 Right of Way Landscape Maintenance

RESPONSE DEADLINE: March 04, 2026, at 2:00 pm

**1. Question:** Due to the detailed scope of work and the need to ensure accurate and complete pricing across all sections of the proposal, we respectfully request a one-week extension of the current bid submission deadline. Our objective is to submit a fully compliant and thoroughly reviewed proposal that reflects the true requirements of the project. We appreciate your consideration and look forward to your response.

*Feb 12, 2026 4:36 PM*

Answer: Yes; the due date has been extended by a week.

**2. Question:** What is the Current Bill Rate for Zone 1, Zone 2 and Zone 3?

*Feb 17, 2026 1:56 PM*

Answer: Please see the link to the current contract, which includes current contract pricing.

<https://www.davie-fl.gov/bids.aspx?bidID=809>

**3. Question:** Has there been any increases authorized since contract commencement?

*Feb 17, 2026 1:56 PM*

Answer: Yes, please see the link to the current contract, which includes the price increase documentation:

<https://www.davie-fl.gov/bids.aspx?bidID=809>

**4. Question:** Has any liquidated damage been deducted from the incumbents, and if so, how much?

*Feb 17, 2026 1:56 PM*

Answer: No.

**5. Question:** The ITB requires monthly reporting of debris volume “in cubic yards or Town-approved units.” Can the Town confirm whether the accepted method is: truck capacity × number of loads, measured container volume, or another standardized approach?

*Feb 17, 2026 1:57 PM*

**Answer:** The amount must be computed into estimated Cubic Yards of debris.

**6. Question:** For medians along Davie Rd., University Dr., Griffin Rd., Pine Island Rd., and Stirling Rd., will the Town allow short-duration lane closures when MOT compliance requires it, or must all work be completed from shoulders/swales only?

*Feb 17, 2026 1:57 PM*

**Answer:** All state and local laws shall be followed. Please review section 5.4 “General Conditions,” paragraph 3, regarding MOT for more detail.

**7. Question:** When canal banks, swales, and slopes are too wet to safely mow, will the Town allow schedule deferrals without penalty, and what form of documentation (photos, email notice) is required for approval?

*Feb 17, 2026 1:57 PM*

**Answer:** In accordance with Section 5.6 “Scope of Work,” 1. b. xiii., it states:

“Contact the Town representative if specific areas are too wet to mow on the scheduled date. The contractor shall contact the Town in writing via email with pictures indicating that the area is too wet to mow without penalty. Contractor shall try to mow the area again with the next scheduled maintenance. There may be an instance where the Town needs it cut prior to the next scheduled maintenance if site conditions permit.”

**8. Question:** Since glyphosate is prohibited, will the Town provide or approve a specific list of alternative herbicides for: tree wells, curb lines, concrete medians, bullnoses, and hardscape cracks?

*Feb 17, 2026 1:57 PM*

**Answer:** Any herbicide that meets the bid requirements will be accepted.

**9. Question:** During required monthly inspections, what is the standard correction window (48, 72, or 96 hours) for deficiencies before deductions or non-payment are applied?

*Feb 17, 2026 1:57 PM*

**Answer:** It will generally be 48 hours.

**10. Question:** When locations are temporarily removed (due to construction) or added (due to annexation), will the Town adjust pricing based on: the bid section lump sum, per-acre rates (optional services), or another standard formula?

*Feb 17, 2026 1:57 PM*

Answer: Please review section 5.5, "General Location of Work." It states the following:

"The location of the work is on the medians, rights-of-way, and/or Town property within the Town of Davie municipal boundaries. The Town reserves the right to remove or add specific locations on a temporary or permanent basis as required. This removal will reduce the invoice amount from the time work was stopped. The contractor shall only be compensated for actual work performed during the previous payment period. If an existing section is removed or added, or frequency of the section is added or reduced, the entire price of that location and line item will added/removed accordingly. If an addition/removal of a portion/percent of an existing section is requested by the Town that is outside of the current location description listed in the bid form, then it shall be paid utilizing the prices in the contract price bid form based on percent of services. For example, if the service added to an existing section is 15% more in Lawn Maintenance, and 2% more in Tim Hedges, then the new price shall be 15% increase to Lawn Maintenance and 2% increase to Trim Hedges. If an entire new section is added to the bid, then a quote will be requested by the Town, and will need to be approved through a contract amendment."

**11. Question:** The ITB directs palm pruning twice per year, with ISA oversight and a 9-and-3 o'clock cut line. Can the Town confirm the target months (late Oct & mid-Apr) will be acceptable across all sections, and whether storm response (e.g., hurricane seed spike/frond hazards) will be paid as extra work outside the two annual cycles?

*Feb 17, 2026 1:57 PM*

Answer: October and April are anticipated dates.

If an additional pruning service is requested for any reason such as an upcoming storm, the contract price schedule for that location (for pruning service) will be utilized. If an additional service is requested by the Town that is outside of the scope of services listed in the bid form, then it shall be paid utilizing the prices in the "Additional Pricing" section. A quote would be requested by the Town prior to completing these services based on the contract's "Additional Pricing" prices. Once the quote is approved by the Town, contractor may proceed with completing the additional service.

It is important to note that we do not anticipate utilizing this contract for Hurricane Response Services.

**12. Question:** Is there a payment and performance bond requirement, and if so, can it be annually renewable?

*Feb 17, 2026 1:59 PM*

Answer: There is no bond.
